PRODUCT DESCRIPTION

Monty's Root & Bloom is a concentrated, natural organic liquid plant food that can be used at planting and as a foliar on any crop when plant growth is desired, whether it is during the vegetative or reproductive growth stages.

DIRECTIONS FOR USE

Standard dilution for both starter and foliar applications is 2-3 liters per hectare in a suggested minimum of 150 liters of water. Product can be applied through overhead and drip irrigation systems. Sensitive seeds may react adversely due to the higher level of nitrogen.

Manufacturer by:
Monty's Plant Food Company
4800 Strawberry Lane
Louisville, KY 40209 USA
